

HOW TO CREATE A HOME INVENTORY FOR INSURANCE

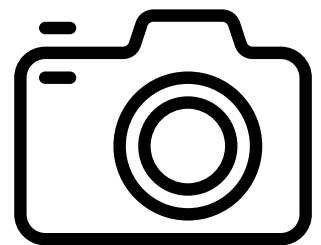

1 Create a written record.

Move through each room in your house and write down items of value.

2 Create a visual record.

Take pictures of items of value as you move through each room.

3 Record items in all rooms.

- Kitchen
- Family room
- Dining room
- Bathrooms
- Bedrooms
- Basement
- Attic
- Closets
- Garage

4 Record all items.

- Appliances
- Electronics
- Furniture
- Clothing
- Luggage
- Sport equipment
- Lamps and lighting
- Jewelry
- Kitchenwares
